

# **Netball Development Sessions 2010**

## **11 year players**

**Monthly Wednesdays 5.00pm to 6.30pm**

**Session No. 1: Wednesday 2 June**

**Session No. 2: Wednesday 16 June**

**Session No. 3: Wednesday 28 July**

**Session No. 4: Wednesday 18 August**

**Session No. 5: Wednesday 1 September**

Lyn Allison, an experienced Coach, player and National Badged Umpire, will be running these sessions as an opportunity for young players who are 11 years of age in 2010. These sessions are offered so that players can gain additional netball skills in the lead up to Representative Selection in October 2010. Selections are set for 23 and 24 October 2010.

Parents, bring your runners. We encourage you to stay and, if you wish, to participate in overseeing particular activities throughout the sessions, under Lyn's direction.

We also call for nominations and select Coaches, Assistant Coaches and Managers for Representative Teams in October. Parents who are interested may find this a good opportunity to find out a little more about Coaching and what is involved.
